**Family School Liaison** is a goal-based early intervention program that supports school-aged children and their families when situations in life challenge a child's success.

The FSL will support the family in

- Building coping skills
- Learn positive strategies to deal with emotions
- Strengthen family relationships
- Improve family and school communication
- Coordinate services with other community agencies
- Liaise between home and school

Potential reasons to call

- Family relationship concerns
- Divorce and blended families
- Parenting support and strategies
- Anger and emotion management
- Coping Skills
- Self-esteem concerns
- Child development concerns
- Grief and loss
- Improving communication in the family or with the school

Who is eligible?

Families with school-aged children are eligible for FSL services. Children must be enrolled in a school within Clearview School Division.

Other Services

- Assist students with their academic program and offer career in-site
- Awareness and prevention programs based on student, school, and community needs
- Facilitate Snack Program
