

Coronation School Council Meeting
Nov, 26, 2024

Agenda

1. **Meeting called to order at 7:05 pm.**
2. **Adoption of minutes**
 - a. \$1988.37
3. **School Happenings:**
 - a. Playground-may need a no rollerblading sign?
 - b. Children's Fair Last week went well.
 - c. Crochet Club-student led and organized
 - d. Vball has 3 teams - new jerseys are ordered.
 - e. Christmas concert is Dec. 19 - 7PM
 - f. School Grad has been decided for the Sat after the last day of school June 28
 - g. RDP was here this morning to talk about programming
 - h. CAREERS was here last week, and it was for HS school kids to learn how to apply for Work ex and RAP programs that pay, as well as giving advice on career choices, and it was reported that Coronation School has the most students sign into the application app of the three high schools
 - i. Skills exploration is happening next Tuesday - great skill challenge this year - we are currently looking for students to run the live feed and tech requirements during the day.
 - j. Career Fair in GWS is also next Tuesday from 2-3. We will be bussing students there.
 - k. Linda Osetsky was in with the Gr. 9's doing sketching, and it was very well received, and so she will be coming back again. She has already donated \$3000 to art supplies and programming for this year.
 - l. Clue game this week for fun
 - m. Floats on Thursday
 - n. Worked on WIGs this last PL day, and our current group goals are;
 - i. We will centre on "what children should feel when they are at school", this year. i.e. respected, listened to, included. We will investigate each student's human design so as to honour who they are in our collective environment.
 - ii. Improving our overall learning environment and culture by practicing joyful engagement - 'motivated to learn' kind of way - HS
 - iii. Collaborate together to create classroom activities and home routines that will help support classroom learning and at home learning (parents) to improve our students high-frequency words, grade level-subject specific vocabulary and numeracy skills. K-3 Using data from the 3T's, and the Rewards program to identify areas of need in students' literacy, we aim to host intervention sessions to improve reading in JH.
 - iv. Cam showed the budget: The budget is balancing, but we will still be struggling with money for a while. More grades may be pushed together in the future, as enrollment is down.
 - o. Cam showed the budget: The budget is balancing, but we will still be struggling with money for a while. More grades may be pushed together in the future, as enrollment is down.
4. **Board report Given By Shauna Lee Thomas**
 - a. Declining enrollment is a division issue. Population this year is 2328 students which is a decrease from 2347 students. Board meeting coming up. Some agenda items: approving audited financial statements, bright arrow communication, reviewing annual education results report and the policy committee is bringing proposed changes to the star awards. Any concerns? One concern was snow removal for bus routes.
5. **Friends of Coronation School Report given by Trina Cook**
 - a. Help the spirit group with pancake breakfast. CFIP grant to finish up in the next 18 months. We go to the Casino March 10th & 11th.
6. **New Business**
 - a. Friends of Coronation School/Spirit Group Pancake Breakfast Dec. 6th-Any volunteers?
7. **Old Business**
 - a. Alberta School Council Engagement Grant-\$500- could possibly save it up for the following year if we have a plan. Ideas: lego, Musulla theater, Care Closet-Table for next meeting.

Meeting Adjourned: 8:08pm

Next Meeting dates: Jan.28th, April 1 & May 27th @7pm
